

JULY

Newsletter

"Congrats to all the staff at Keystone Nursing Care Center this week and everyday for your excellent care! We had our annual inspection this week. The inspectors said many times how great our facility is. They pointed out how clean and well taken care of the building is, how great the food looks and smells, how the nursing staff cares and does a great job, and how happy the staff and residents are. So thankful for all of you at team KNCC! I really believe that each one of the staff care for the patients like they are family. We have 120 awesome staff, great families and patients, awesome community support and volunteers!"

-Tracy Bruns RN BSN LNHA
