

Thank you to Joan for packaging meals for the families at Keystone Nursing Care Center. We love our partnership with the school!

Thank you to Jon Eichhorn for carving our tree! This tree was damaged in the 2020 derecho, and we have been looking for ways to do something special. The residents voted on a squirrel, and they had a blast watching the entire process!

MEALS ON WHEELS

Please check CBS2, KCRG, and our Facebook Page for cancellations this winter!

Please make sure that if you are bringing in warmer clothes for your loved one, that they are marked with their name. We don't want to misplace anything in the laundry!

Thank you to our kitchen crew for the delicious Thanksgiving Meal for our residents, family, and staff!

All of us at the Keystone Care Center would like to wish our residents, family members, and community a safe and happy holiday season.

We are looking for Nurses!

We are currently needing a full time second shift nurse, a PRN Home Health nurse, and a weekend package nurse!

Thanks to all of our dedicated nurses for filling in when needed!

From the Desk of the
Administrator:
Tracy Bruns

Each resident of the Keystone Nursing Care Center has the right to choose his or her attending physician. The physician must be licensed to practice and if the physician chosen by the resident refuses to or does not meet requirements specified in this part, the facility may seek alternate physician participation to assure provision of appropriate and adequate care and treatment.
