## Keystone Nursing Care Center

---

From the Desk of the  
Administrator:

Tracy Bruns RN BSN  
LNHA

Each resident has the right to be informed orally and in writing in a language that they understand about eligibility requirements and how to apply for and use financial and medical assistance including Medicaid, and how to receive refunds for previous payments covered by such benefits. When the resident is unable to make decisions regarding this, the rights and responsibilities of the resident devolve to the resident's legal representative to the extent permitted by law. This statement contains general rights of each resident and is not all including. Specific provisions implementing these general rights are included in the facilities policies and procedures which are available upon request. If you have any questions regarding the resident's rights, please contact Tracy Bruns, Administrator at the Care Center 319-442-3234

welcome  
spring!

## **End of Medicaid Continuous Coverage**

When COVID-19 first began, there was a rule put in place to make sure all of the Iowa Medicaid members received healthcare coverage, no matter if they were eligible for the program or not. This rule is known as the Continuous Coverage Requirement. Starting April 1, 2023, this rule will be ending. This means your patients will now go through a review process to see if they qualify for Iowa Medicaid coverage.

Eligibility requirements will continue to take place on the first of the month, so members who are no longer eligible will not lose coverage mid-month. If you no longer have coverage, you must reapply. For the latest information about the end of the Continuous Coverage and the eligibility process, please call 1-855-889-7985 or visit the HHS website.

## **New Phone System**

As some of you may know, we have got a new phone system. With this system we still have a wireless phone that gets used sometimes by staff and also sometimes from the residents. Please note that this phone number is: 319-326-2805. If you have caller id, it comes up as if it is from Independence. You may want to add this into your phone so that you are aware that it is in fact someone from the care center giving you a call. If you have any questions let us know.
