Know someone that may need some help at home? Keystone Home Health is accepting new patients! We can provide nurse visits, bath aids as well as homemaker services. We also offer respite. Sometimes these services can be a solution to keep your loved ones in their homes longer. If you have any questions or need more information please contact the Home Health office at 319-442-3650.

We will be having our annual school supply drive starting August 1st– 23rd. Please bring any donations to the Care Center. We will have a box at each entrance. If you have any questions please contact Cindy or Amy at the care center at 319-442-3234. Items are donated to the Benton Community Keystone Center. Thank you for helping support this cause!

Insurance Card Reminder:

Please be sure to bring us in a copy of your loved ones new Medicare Card. Medicare will no longer accept the old numbers by the end of this calendar year and you may be responsible for denied claims. Also if your loved one had United Healthcare of the River Valley for Medicaid, you will be getting a new Medicaid company and card. Please notify us of which company you will have starting July 1, 2019, and again bring us in a copy of the Insurance card once you receive it. If you have any questions please contact Social Worker Cindy Behrens or Administrator Tracy
