Resident's Rights:

Facility may not require residents or potential residents to waive their rights to Medicare or Medicaid; require assurance that residents or potential residents are not eligible for Medicare or Medicaid benefits, or require a third party guarantee of payment as a condition of admission or expedited admission. Nor can the facility charge, solicit, accept or receive as a pre-condition of admission, expedited admission, or continued stay in the facility under the state plan anything of value, over and above what is lawfully required to be paid except a charge may be made for items and services the resident requested and received that are not "nursing facility services" under the state plan so long as the facility gives proper notice.

What this boils down to is that the facility and the staff in the facility cannot accept any gifts of any kind. Often times when staff is noted to go above and beyond, or residents and family feel a special connection with staff, gift giving is attempted. This is not allowed and gifts must be returned. We encourage you not to give gifts of any kind. The management staff would, however, like to know if you feel a staff member goes above and beyond. This information will be used in staff evaluations and could have a positive impact on their raise.

Lastly if you feel you would still like to give, please participate in facility fundraisers and donation projects. Consider donating funds to purchase items for all staffs benefit. Examples of items purchased for the staff with donations in the past are facility wide lunch, lockers for the break room, lifts to move patients with great ease, items for fitness challenges to encourage health and wellness. Examples of items purchased for residents with donation money: Nustep machine, lifts, therapy equipment, items for future holiday parties, upgrades to the building, and trips out of the building with residents. If you would like more information contact Tracy Hanson RN BSN Administrator or Cindy Behrens BSW Social Worker.

Bake for Cancer

We are hosting a Bake Sale/ Garage Sale to raise money for the American Cancer Society Saturday May 8th during the Keystone Town-wide garage sales. We will open for business at 8am and will be located at Cindy Oehlerich's garage at 302 4th Ave. If you are interested in donating any items, please drop them off that morning at the garage. Breakfast and lunch will be served. You can also go online to donate to our Relay for Life team under the name Keystone Cohorts. Thank you!!

Congratulations to our April Employees of the month!!!

Michael Jurgens in the care center and Emily Ealy from our Home Health. Thank you for all you do for our residents and patients every day!!
