Resident's Rights:

Money and Property:

Each resident has the right to manage personal finances, or if he or she so chooses, to designate another party to manage them for him or her. We ask that all residents bring limited funds into the care center as we have many other residents, visitors, and staff. Funds are not usually needed in the care center as the care center pays for most outings and the beauticians will take payment via a billing method. Funds can also be deposited into a resident trust account, which we strongly encourage.

We also have the option to have payments made through an ACH system, rather than having to mail/write out checks. Please contact Teresa Selken if you are interested in this option.

If you have any questions regarding this resident's right, please contact Tracy Hanson, Administrator at the Care Center. 319-442-3234.

Animal Vaccinations:

Please note that if you are bringing in your dog to visit your loved one or to share with the residents, we will need a copy of their vaccination records on file. Please bring them along for us to make a copy of and give it to the Administrator, Tracy Hanson. If you have any questions please contact Tracy at 319-442-3234.

Dear Keystone Nursing Care Center Inc.

My name is Hailey Hakes, and I am honored to be one of this year's recipients of the Keystone Nursing Care Center Inc. Scholarship. I would like to take this opportunity to thank you for your generous donation toward my future, and for funding this scholarship. I plan to continue my education at The University of Iowa and transfer to a medical school following the completion of my undergraduate education.

I plan to double major in Human Physiology and Biology, following the Pre-Med track. My passion for helping others and making a positive impact on the world has allowed me to be active in leadership roles as President of Student Council and National Honor Society, as well as Section Leader of the Color Guard. I plan to pursue a career as a Cardiothoracic Surgeon, and actively contribute to the treatment of patients in the healthcare industry.

My aspirations and goals would not be possible without your generosity. Thank you for enabling me to reach my potential and achieve my dreams.

Sincerely,

Hailey Hakes
