Resident's Rights:

Each Resident has the right to retain and use personal possessions, including some furnishings, and appropriate clothing, as space permits, unless to do so would infringe upon the rights or health and safety of other residents.

We encourage upon admission for every resident to bring items from home to decorate their room. This creates a more home like atmosphere. We ask that the path to exit the room and use the restroom are not blocked, there are no extension cords, nothing is placed within 18 inches of the ceiling, and no throw rugs are brought in. If you need assistance for hanging pictures on the wall let our staff know. If you need assistance with the setup of the room we can help.

Some families have a winter and a summer wardrobe and they rotate them with the seasons. Most families will store one wardrobe at home. This helps with storage and space. Please make sure that everything is labeled with the resident's name. Items can be labeled with a black marker or with labels the laundry and housekeeping are able to iron on.

In double rooms attempt to make sure that your items are not infringing upon the space of the opposite side of the room.

If you have any questions about anything please contact Tracy Hanson RN BSN Administrator at 319-442-3234, or in person at the care center.
