Resident's Rights:

Each resident has the right to formulate an advance directive and to be informed of the facility's policy to implement advance directives and applicable state law.

Here at the care center, we have begun using the IPOST (Iowa Physicians Order for Scope of Treatment) forms for our residents. These forms ask specific questions regarding the residents wishes for their health care. Once these are completed they follow each resident when they leave the facility for reasons such as a doctor's appointment or hospital or emergency care. These forms give us as well as family members an idea of exactly what the residents wishes are in times of need.

If you have any questions regarding this resident's right, please contact Tracy Hanson, Administrator or Cindy Behrens, Social Worker at the Care Center.
319-442-3234.

*Thank
You*

To all that brought our staff treats and goodies for the holiday season!

We enjoyed all of

them and had plenty for all shifts.

Thank you again!!

Interested in Volunteering?

Our Key Ladies group is looking for volunteers to help out at the nursing home. You would come once a month to help facilitate bingo and provide treats occasionally when needed. If interested or have any questions, please contact Cindy Behrens, Social Worker at 319-442-3234.

Sue Meyer is retiring!!!

After 42 1/2 years of service, Sue has decided to move on to her next adventure! We are grateful for all that she has done for the care center and for all the different "hats" she has worn over the years. Please help us celebrate with Sue by joining us for an open house in her honor. Sunday January 8th at the Keystone Turner Hall from 2-4pm. Please pass the word and we welcome all!

Be prepared for weather changes! The parking lots and roads up to the care center can become very slick.

Please take extra caution when walking in the parking lot.

Thank you to the Sweet Bell Peppers who helped entertain us for the Holidays !!

Some of our residents decided to have "Coloring Club". This is a new activity we are trying out. If anyone has other ideas, please pass them on!
