Resident's Rights:

Each resident has the right to be informed orally and in writing in a language that the resident understands about eligibility requirements and how to apply for and use financial and medical assistance including Medicaid, and how to receive refunds for previous payments covered by such benefits.

Where the resident is incompetent the rights and responsibilities of the resident devolve to the resident's legal representative of family member to the extent permitted by Iowa law. This statement contains the general rights of each resident and is not all inclusive. Specific provisions implementing these general rights are included in the facility's policies and procedures which are available upon request.

Please be aware that the Medicare Open Enrollment period starts October 15th and runs to December 7th. During this time you are able to switch insurance policies without any penalty. If you have any questions regarding this please contact the SHIP office in Des Moines for a free comparison to see if there is a policy that might better suit your needs.

If you have any questions regarding this resident's right, please contact Tracy Hanson, Administrator at the Care Center. 319-442-3234.

Meals on Wheels

We offer meals on wheels 7 days a week at lunch time. If you are interested or know someone who would benefit from this service, please give us a call at the care center. The cost is \$6.00 per meal and we will accept Medicaid. If you have any questions give Cindy or Derek a call at 319-442-3234.

Reminder:

With the change in the weather, if you are bringing in new clothing items for your loved one, be sure to have it marked with their name. If you need assistance our laundry department can help!

Tracy Hanson, BSN, Administrator presented to the 9th grade students at Benton Community High School. She talked about careers in the health care field and nursing home setting.
