Resident's Rights:

Each resident has the right to manage the resident's personal finances, or if he or she so chooses, to designate another party to manage them for him or her. The facility may not require resident residents to deposit their personal funds with the facility. Upon the written authorization of the resident, the facility will hold, safeguard, manage and account for such personal funds under a system established and maintained by the facility in accordance with federal and state law. Each resident or his or her legal representative has the right to have reasonable access to his or her financial record and to have the financial record made available through quarterly statements and on request to the resident or his or her legal representative.

Please do not bring money or valuable property to the care center. When things are misplaced or come up missing the law requires the Benton County Sheriff and the Department of Inspections and Appeals to be informed and an investigation launched for suspicion of abuse. This happens even when the item or money may have just been misplaced. Residents in the facility typically do not require money for anything. The beautician can be paid directly and facility outings are paid for by the facility, unless otherwise prior arranged. If you feel money is needed, we strongly encourage you to keep the money in a resident trust account. This money is locked in the business office and can be given to residents as needed. If you want to bring money for a special event, please give the money to the nurse so that it can be tracked. These are not requirements but suggestions to keep the facility and your loved one's lives flowing smoothly. We have over 100 employees and many visitors in and out each day.

If you have any questions regarding this resident's right, please contact Tracy Hanson, Administrator at the Care Center. 319-442-3234.

Thank you for the delicious sweet corn! Keith Junge and Doug Senne both provided for us this summer. It was fun to husk & reminisce about harvesting in our younger years!
